Percent satisfied with school-home relations	93.3%	84.8%	90.6%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ware Shoals Elementary School is a community dedicated to educational excellence. Our mission is to provide a foundation of academic excellence that will enable all students to become independent, lifelong learners in today's ever changing society. Ware Shoals Elementary has had an outstanding year! Our rating on the State School Report Card was an Average Absolute Rating and a Good Improvement Rating. Our school received recognition as a SC Silver Award winner. This award recognizes and rewards academic achievement. Ware Shoals Elementary School was also recognized for Closing the Achievement Gap by reducing the achievement gap for at least one historically underachieving student group. This year the faculty and staff, the School Improvement Council, the PTO, along with input from parents and students, developed a School Renewal Plan which will guide us for the next five years. This plan establishes priorities that will focus on raising achievement levels for all students. This plan also addresses the prevention of academic problems and reducing the achievement gaps identified on the annual report card.

To maximize academic achievement the following instructional tools are being used: Compass Learning Odyssey is a computerized program that allows teachers to create individual learning paths that address each student's unique challenges, MAP (Measures of Academic Progress) reflects the instructional level of students and measures their growth over time, and professional development activities that support best practices in education.

At Ware Shoals, students are held accountable to high standards of achievement. We recognize students' academic accomplishments through the Accelerated Reading Program, Semester Awards Day Programs, the District and Regional Spelling Bees, the State Superintendent's Writing Contest and the Beta Club. Students at Ware Shoals Elementary are given the opportunity to attend the Release Time Program. We have an active Student Council that implemented a recycling program this year. Our students are also provided an opportunity to participate in service learning activities which allow our students to give back to the community. This year our service learning projects included Relay for Life, Christmas is for Kids, and the Make A Wish Foundation. Funds toward our goal were raised through school dances and contests held throughout the year.

The faculty and staff at Ware Shoals Elementary School are united in our efforts to develop our students socially, emotionally, and intellectually. A combined effort from a dedicated faculty and staff, concerned parents, and a supportive community assures that we are assisting students in reaching their full potential.

Nancy Brown, Principal WSES
Teri Haynes, SIC Chairperson
